

“Building our future together”, Summary Integrated Annual Report 2017 and microsite by TITAN Group

Date : 13-06-2018

TITAN Group issued its [Summary Integrated Annual Report](#) (IAR) 2017 and launched the respective [microsite](#), providing a concise overview of its financial and non-financial performance on a Group level, across the four geographical regions it operates and on its major joint ventures.

2017 marks the Group's 15th consecutive year of reporting on its non-financial performance and its efforts to engage with key stakeholders in a transparent, open and proactive dialogue.

The Summary Report presents highlights from the full [Integrated Annual Report 2017](#), as well as TITAN's alignment with the UN Sustainable Development Goals (SDGs) through examples that showcase the Group's efforts and collaborations towards this common cause.
