Article 6. AUTHORISED CAPITAL

§1. The board of directors may increase the share capital of the company in one or several times by a (cumulated) amount of maximum EUR 1,106,211,679.40.

This authorisation may be renewed in accordance with the relevant legal provisions. The board of directors can exercise this power for a period of five (5) years as from the date of publication in the Annexes to the Belgian State Gazette of the completion of the condition precedent of the amendment to these articles of association approved by the extraordinary shareholders' meeting of 13 May 2019.

§2. Any capital increases which can be decided pursuant to this authorisation will take place in accordance with the modalities to be determined by the board of directors and may be effected (i) by means of a contribution in cash or in kind (where appropriate including non-distributable share premium), (ii) through conversion of reserves, whether available or unavailable for distribution, and issuance premiums. In the latter events, the capital increase may be effected with or without issuance of new shares.

The board of directors can also use this authorisation for the issuance of convertible bonds, warrants or bonds to which warrants or other tangible values are connected, or other securities.

When exercising its authorisation within the framework of the authorised capital, the board of directors can limit or cancel the preferential subscription right of the shareholders in the interest of the company, subject to the limitations and in accordance with the conditions provided for by the Belgian Companies and Associations Code. This limitation or cancellation can also occur to the benefit of the employees of the company or its subsidiaries or to the benefit of one or more specific persons even if these are not employees.

§3. If, pursuant to a capital increase that has been decided within the framework of the authorised capital, an issuance premium is paid, this shall be booked on the account "Issuance Premiums", that shall serve as guarantee for third parties in the same manner as the company's share capital and of which, apart from the possibility to convert this reserve into share capital, can only be disposed in accordance with the conditions provided for by the Belgian Companies and Associations Code in respect of amendments to the articles of association. §4. The board of directors is hereby expressly empowered to proceed with a capital increase

in any and all form, including but not limited to a capital increase accompanied by the restriction or withdrawal of the preferential subscription right, even after receipt by the company of a notification by the Financial Services and Markets Authority (FSMA – *Autorité des Services et Marchés Financiers/Autoriteit voor Financiële Diensten en Markten*) of a takeover bid for the company's shares. Where this is the case, however, the capital increase must comply with the additional terms and conditions laid down in the Belgian Companies and Associations Code. The powers hereby conferred on the board of directors remain in effect for a period of three years from the date of the completion of the condition precedent of the amendment to these articles of association approved by the extraordinary shareholders' meeting of 13 May 2019. These powers may be renewed for a further period of three years by resolution of the shareholders' meeting, deliberating and deciding in accordance with applicable rules. If the board of directors decides upon an increase of authorised capital pursuant to this authorisation, this increase will be deducted from the remaining part of the authorised capital specified in the first paragraph.

§5. The board of directors is authorised, with power of substitution, to amend the articles of association after each capital increase realised within the framework of the authorised capital, in order to bring them in line with the new situation of the share capital and the shares.

Article 7. PREFERENTIAL SUBSCRIPTION RIGHT IN THE EVENT OF A CAPITAL INCREASE BY CONTRIBUTION IN CASH

In a special report, to which the report of the (statutory) auditor is attached, the board of directors elaborates on why both the contribution and the proposed capital increase are in the company's interest and, if applicable, why the conclusions in the attached report are not followed.

In the situations and under the conditions allowed by the Belgian Companies and Associations Code, the contribution in kind may take place under the responsibility of the board of directors without the prior drafting of such report by the board of directors and without the (statutory) auditor's report. If this option is chosen, the board of directors shall, within one month after the effective contribution in kind, submit the legally required declaration in accordance with the Belgian Companies and Associations Code to the competent registry of the commercial court.

Article 9. REQUEST FOR ADDITIONAL PAYMENT

The payment for shares that are not fully paid up must be effected at the place and on the date determined by the board of directors, at its sole discretion; the exercise of the membership rights belonging to these shares are suspended until the payments, duly requested and receivable, have been effected.

The board of directors may, after giving formal notice of default by registered mail to which there has been no reaction within one month, declare that the shareholder has forfeited the shares

and sell the shares that have not been paid up either directly to the other shareholders or with the involvement of a brokerage firm. The price of the transfer is fixed, based on the net assets of the company as derived from the last accounts approved by the shareholders. The payment must be effected in accordance with the conditions set out by the board of directors.

Article 10. CAPITAL DECREASE

Only the shareholders' meeting may decide to decrease the share capital, deliberating in accordance with the Belgian Companies and Associations Code, and provided that the shareholders in equal circumstances are treated equally.

The convening notices must indicate the goal of the contemplated decrease and the method to be followed for its realization.

Article 11. NATURE OF THE SHARES

The shares and other securities are in registered or dematerialised form. The shares will be in registered form when required by law.

A register of registered securities (which may be held in electronic form) is kept at the company's registered office. This register is available for perusal for each registered security holder.

A dematerialised security is represented by an entry on a personal account of the owner or holder, with a recognised account holder or clearing and settlement institution.

Holders of shares may elect to have, at any time, their registered shares converted into dematerialised shares, and vice versa, at their own expense.

Article 12. TRANSFER OF SHARES

The transfer of registered shares is effected by a declaration of transfer, registered in the register of registered shares, dated and signed by the transferor and the transferee or by their proxies.

The company may accept a transfer, a pledge, a conversion or any other transaction related to registered shares, found in the correspondence or other conclusive documents that confirm the consent of the parties, and register those in the register.

The dematerialized shares are transferred by a wire transfer from account to account. The number of dematerialized shares in circulation at any moment is registered in the register of registered shares in the name of the settlement institution.

Article 13. INDIVISIBILITY OF SHARES

The shares are indivisible vis-à-vis the company.

In the event shares are held by more than one owner, are pledged, or if the rights attaching to the shares are subject to joint ownership, usufruct or any other kind of split up of such rights, the board of directors may suspend the exercise of the rights attached to such shares until one person has been appointed as the sole representative of the relevant shares vis-à-vis the company.

The bare owners will represent the usufructuaries unless otherwise provided in the deed establishing the usufruct or agreed upon. In the event of dispute between the bare owner and the usufructuary concerning the existence or scope of such agreement or provision, only the bare owner shall be admitted to participate in the shareholders' meeting and participate in voting.

Article 14. CONVERTIBLE BONDS AND WARRANTS

The holders of convertible bonds or warrants issued with the cooperation of the company, have the right to attend the shareholders' meeting but only in a consultative capacity.

set out in these provisions, acquire, on or outside a regulated market, its own shares, which correspond to maximum 20% of the issued shares, for a price which will respect the legal requirements, but which will in any case not be more than 20% below the lowest closing price in the last thirty trading days preceding the transaction and not more than 20% above the highest closing price in the last thirty trading days preceding the transaction. This authorisation is valid for five years from the date of the publication of the completion of the condition precedent of the amendment to these articles of association approved by the extraordinary shareholders' meeting of 13 May 2019.

This authorisation covers the acquisition on or outside a regulated market by a direct subsidiary within the meaning and the limits set out in article 7:221 ff of the Belgian Companies and Associations Code. If the acquisition is made by a direct subsidiary, the dividends attached to the shares held by the subsidiary go to the subsidiary.

§2. The board of directors is authorised, subject to compliance with the provisions of the Belgian Companies and Associations Code, to acquire for the company's account the company's own shares if such acquisition is necessary to avoid serious and imminent harm to the company. Such authorisation is valid for three years as from the date of publication of the completion of the condition precedent of the amendment of these articles of association, approved by the extraordinary shareholders' meeting of 13 May 2019, in the Annexes to the Belgian State Gazette.

§3. The board of directors is authorised to divest itself of part of or all the company's shares at any time and at a price it determines, on or outside the stock market or in the framework of its remuneration policy to personnel or directors of the company or to prevent any serious and imminent harm to the company. The authorisation covers the divestment of the company's shares by a direct subsidiary within the meaning of the Belgian Companies and Associations Code. The authorisation is valid without any time restriction, irrespective of whether the divestment is to prevent any serious and imminent harm for the company or not.

Article 16. **CERTIFICATION OF THE SHARES**

The shares or other securities issued by the company may be certified in accordance with the provisions of the Belgian Companies and Associations Code.

The decision of the company to cooperate with the certification will be taken by the board of directors on the written request of the future issuer of the certificates. The board of directors may resolve that the company will pay all or part of the charges of such certification and of the setting up and operating charges of the issuer of certificates, insofar as such payment is in the interests of the company.

A certificate holder or issuer or any third party of any kind may only invoke the assistance of the company in their issuing if the company has confirmed this assistance in writing to the issuer. The holders of such certificates may only exercise rights towards the company that are granted to them by law if the form of the certificates as well as the evidence of ownership of the registered certificates have previously been approved in writing by the company.

An issuer of certificates, whether or not issued with the assistance of the company, intending to participate in a shareholders' meeting and exercise the voting rights linked to the certified securities shall comply with the particular admission formalities described in Article 35.
