Trading of new shares from contribution of assets

Titan Cement International SA ("TCI") announces that, on 28.08.2019, will begin the trading of a total of 3,779,241 new ordinary shares (the "New Shares") in Euronext Brussels, ATHEX and Euronext Paris. The New Shares resulted from an increase in the TCI's share capital through the in-kind contribution of an equal number of ordinary and preferred shares issued by Titan Cement Company S.A. (the TITAN Shares"), which TCI obtained by exercising its right of redemption, pursuant to article 27 of Law 3461/2006, with an exchange ratio of one New Share for one TITAN Share.

Following the aforementioned increase, TCI's share capital amounts to €1,159,347,807.86 and is divided into 82,447,868 ordinary shares.

During its meeting on 26.08.2019, the ATHEX's Trading and Market Operation Committee approved the trading of the New Shares in ATHEX.

For more information, the TCI's shareholders can contact, during business days and hours, the Company's Shareholders Service Department: tel. +30 210 25 91 257, Ms Nitsa Kalesi, Head of Shareholders Services.
