TITAN confirmed as FTSE4Good Index Series constituent for its enduring commitment to sustainability

Titan Group announces that it has been included in the FTSE4Good Index Series. Created by the global index and data provider FTSE Russell, the FTSE4Good Index Series is designed to measure the performance of companies demonstrating strong Environmental, Social, and Governance (ESG) practices. The FTSE4Good indexes are used by a wide variety of market participants to create and assess responsible investment funds and other products. FTSE Russell evaluations are based on performance in areas such as Corporate Governance, Health & Safety, Anti-Corruption, and Climate Change. Businesses included in the FTSE4Good Index Series meet a variety of environmental, social, and governance criteria.

TITAN has demonstrated consistent leadership in sustainability through a wide array of initiatives across its operations, supported by ambitious ESG targets and science-based CO₂ reduction goals. The company's emphasis on transparency, ethical practices, and environmental stewardship has positioned it as a leader in its sector, garnering recognition as a preferred partner for investors committed to ESG principles.
