Titan Cement International SA is listed on Euronext in Brussels and Paris and at the Athens Exchange.

DISCLAIMER: This press release may include forward-looking statements. Forward-looking statements are statements regarding or based upon our management's current intentions, beliefs or expectations relating to, among other things, TITAN Group's or Titan America's future results of operations, financial condition, liquidity, prospects, growth, strategies, developments in the industry in which we operate and the proposed offering. In some cases, you can identify forward-looking statements by terminology such as "continue," "could," "expect," "goal," "may," "plan," "predict," "propose," "should," "target," "will," "would" and other similar expressions that are predictions of or indicate future events and future trends, or the negative of these terms or other comparable terminology. By their nature, forward-looking statements are subject to risks, uncertainties and assumptions that could cause actual results or future events to differ materially from those expressed or implied thereby. These risks, uncertainties and assumptions could adversely affect the outcome and financial effects of the plans and events described herein. Forward-looking statements contained in this report regarding trends or current activities should not be taken as a report that such trends or activities will continue in the future. Neither TITAN Group nor Titan America undertakes any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. You should not place undue reliance on any such forward-looking statements, which speak only as of the date of this report. The information contained in this report is subject to change without notice. No re-report or warranty, express or implied, is made as to the fairness, accuracy, reasonableness or completeness of the information contained herein and no reliance should be placed on it. This press release has been prepared in English and translated into French and Greek. In the case of discrepancies between the two versions, the English version will prevail.
